Andover Farha

Tournament Director – McKenzie Scott

Coaches,

Thank you for bringing your team to play in our tournament today. This packet should be able to answer the majority of your questions if you have any during the day. Have a great tournament and good luck to all teams!

Tournament Format:

Andover Farha -

- 11s – 4 teams:
 - One pool of four – each match will consist of 2 sets to 25 starting at 4. All teams will advance to playoffs.
- 12s – 12 teams:
 - Three pools of four – each match will consist of two sets to 25 starting at 4. All teams will advance to playoffs with the top two teams of each pool going to the gold bracket and the bottom two going to the silver bracket.
- 13s & 14s – 8 teams:
 - Two pools of four – each match will consist of two sets to 25 starting at 4. All teams will advance to playoffs.

Officiating:

- Parent representatives with a credential are allowed to assist the team with officiating duties at the table
- A credentialed coach **must** be the R1 for all officiating assignments.
- All warm ups will be 2-4-4 (two minutes shared, four minutes for the serving team followed by four minutes for the receiving team). No ball handling during the 4 minutes off the court.
- Everything overhead (basketball goals, air ducts, and beams) are considered part of the ceiling. If the ball contacts an overhead obstruction and comes back on the same side, the team may play it considering they have more hits to get the ball over the net. A ball that contacts the ceiling in its flight and travels over the net will be called "out". Curtains are considered out. If the ball contacts the curtain during play, the ball should be whistled dead.

Miscellaneous:

- Medals will be awarded to the 1st and 2nd place teams in each bracket division
- Please pick up water bottles and trash from the benches after your match is over as well as your camping area when your team has finished playing for the day.
