

15th Annual  
**Kansas Volleyball Showcase**

For High School Sophomores, Juniors & Seniors  
*Graduating in 2019, 2020 & 2021*

The Kansas Volleyball Showcase provides female athletes, looking to continue their volleyball careers, the opportunity to exhibit their skills in front of college recruiters. All Junior Colleges, Four Year Colleges and Universities in Kansas and the surrounding states are invited to attend. The KSVB Showcase is especially valuable for athletes from smaller, rural high schools, as it may connect you with coaches who otherwise would not get the opportunity to watch you play.

Over 150 athletes participated in last year's successful event and recruiters from over 30 schools were in attendance. You will play challenging competition and get recognized early. Plan to attend and get a head start on narrowing down your college choice. **Space is limited, so please sign up early.**
