

HOW-TO: COMPLETE YOUR SCORING AND REFFING CLINICS

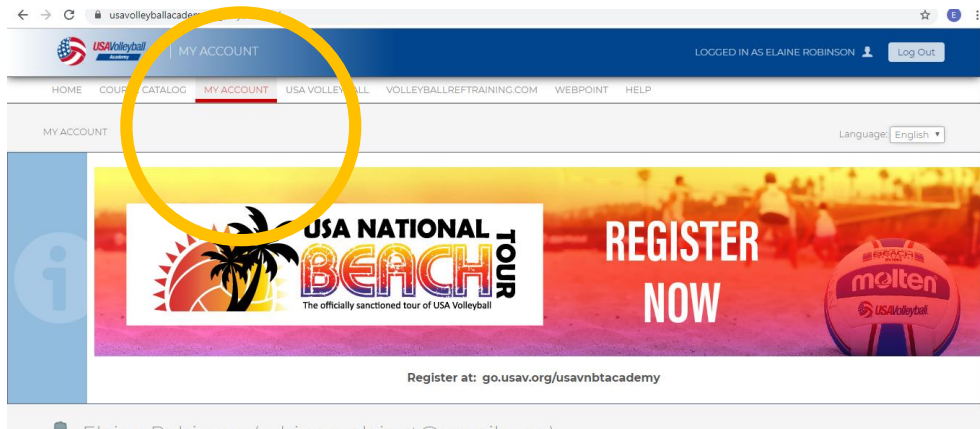

1. Go to <http://www.usavolleyballacademy.com>, and click on Log in in the top right corner.

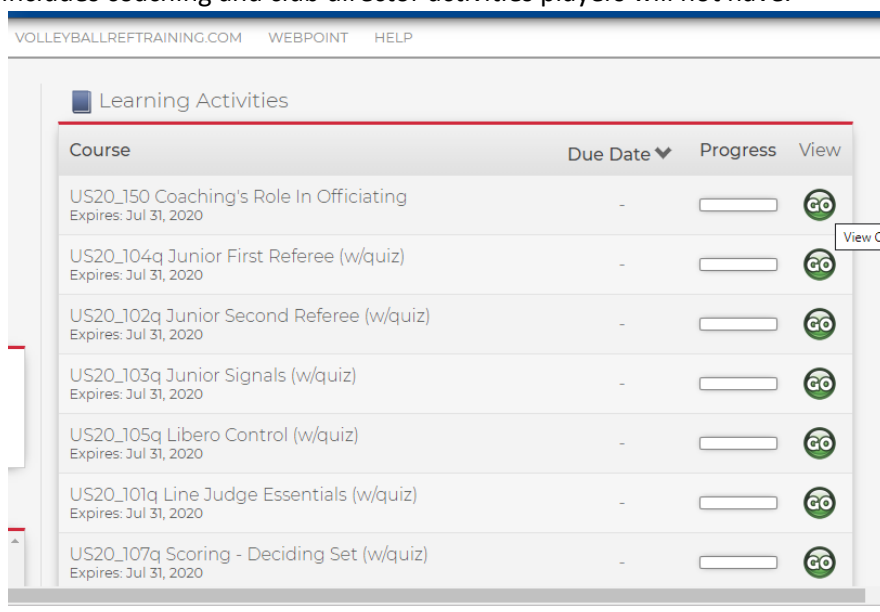

2. Enter the same email and password you used to log in on the Hoavb.org site. If it doesn't work in this window, you may want to verify that it's correct by going to hoavb.org, then choosing Registration>Returning members. If your login works on hoavb.org but does not work on the USAV site, please contact HOA at 913-233-0445 during normal business hours. Messages do not typically get returned in a timely manner.

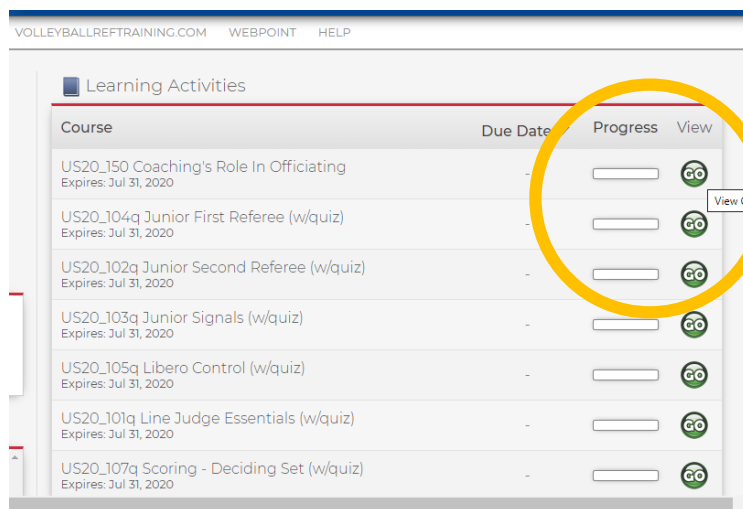

3. Once logged in, click on My Account on the top menu bar.

- In the bottom right corner, a list of Learning Activities will appear. This list will vary depending on the player's age. Notice my list includes coaching and club director activities players will not have.

- Click on the green Go circle next to the clinic name. Watch the videos and answer the questions until you're finished with all of the clinics.

- When you're done, you'll notice the green bar is filled in and the green Go circle has turned to blue.

Remember to take these clinics seriously as you personally will be in charge of a reffing or scoring aspect during your tournaments. There's few things that get players and coaches upset faster than a team who doesn't take their reffing and scoring duties seriously.

If you have any problems with the functionality of the clinics, or it recording your progress correctly, please call the HOA office at 913-233-0445 during normal business hours. GOOD LUCK!
